

Older Adult **Home Modification grant**

East Central Intergovernmental Agency' (ECIA) Older Adult Home Modification grant provides financial assistance to low and moderate income homeowners.

The goal is to make low-cost, low barrier, high impact home modifications that reduce preventable injuries, improve general safety, increase accessibility and improve their functional abilities in their home to facilitate living in the home longer.

An ECIA Healthy Homes Specialist and a MercyOne Occupational Therapist will identify and prioritize necessary changes in the home.

No cost to a homeowner

Home modifications up to \$5,000 may be provided
